This face you got,
This here phizzog you carry around,
You never picked it out for yourself,
  at all, at all—did you?
This here phizzog—somebody handed it
  to you—am I right?
Somebody said, "Here's yours, now go see
  what you can do with it."
Somebody slipped it to you and it was like
  a package marked:
"No goods exchanged after being taken away"—
This face you got.

Elizabethtown College Alumni Association

Welcomes Graduating Seniors

Dear Fellow Alumni:

Whether or not you realize it, since your freshman year, you, too, began membership in the Alumni Association of our college. We hope to make this relationship even more meaningful now that you have been graduated.

As with so much of life, this in part depends on you. Like some — too many — you've earned your hours and your degree — so maybe that's all for old E. C. But, we hope that your class will help inject an increasingly improving spirit into our association.

Participate! Add your time and ideas. It's absolutely vital that all Elizabethtown College constituencies do if you believe in private education and especially the benefits of a church related school — or in a phrase from the currently stated purpose, in a sense, if you have begun "freeing yourself from your limitations of experience and ignorance."

As Alumni, I think we are continually strengthened by an increasing recognition by professions, business and the public of Elizabethtown College and her graduates. All Alumni join me in wishing that your education may serve you well and, in turn, that you continue to remember Alma Mater in the years ahead.

Cordially,

J. Albert Seldomridge '52
President, Elizabethtown College Alumni Association 1968-69
